

ANNUAL REPORT 2024-25

Distinguished Chief guest for today's event – Dr. Munish Nagpal – special secretary, agriculture department – Chandigarh, Shri Tarsem Garg Chairman MM Trust, Dr. Vishal Garg – Secretary MM Trust, Madam Deepika Garg, Dr. Meenakshi Garg, Trustee MM Trust, esteemed faculty, dear parents and most importantly, our wonderful students,

Today is a milestone occasion for all of us when we are commemorating a decade of academic brilliance. We together, have blown the trumpets of joy of announcing the Decennial Celebration of our school. This decade (dehkyad) was a span of time that feels both like a fleeting moment and an era of transformation. It has been a journey of dreams woven into reality, of challenges turned into opportunities and of countless hands working tirelessly to sculpt a sanctuary of learning and growth.

It's a time to pause, reflect, look back and thank the Almighty God for his wondrous blessings and guidance in every sphere (sfueuh) of service to humanity.

Our journey began with a vision of creating an educational environment that nurtures, inspires and empowers every child. Over the years, we have watched this vision flourish into a resplendent community of learners, achievers and leaders.

This is a day to celebrate all those who have been instrumental in bringing forth this celebration.

To our students, you are the beating heart of MMIS. Watching you flourish has been our greatest reward and you are the only reason we strive for nothing less than excellence.

To our parents, your fervent support and unflinching faith have been the bedrock of our journey. Your partnership has transformed our school into a second home for children - a place where they feel safe, cherished and inspired.

To our teachers, you are the torch bearers of enlightenment and silent hero behind every student's success. Your hard work and dedication have shaped the minds and hearts of our young students by not just preparing them for exams, but for life.

As we dive into this remarkable journey we celebrate the achievements that define our legacy, our academic laurels, athletic victories and acts of selfless service to the community. **Celebrating Legacy 10 today** is a reflection of our ethos and values. They are surely going to be true masterpieces of collective spirit of our school.

Today's event will mesmerize you to the core and can't help but wonder at the immense talent our children hold. Our youngest stars will transport you to the enchanting realms of joyous stories of English literature, weaving a tale of magic and innocence which will captivate your hearts.

Students of Grades I to 5 will compel you to pause and ponder on the urgent call of the sustainable development goals (SDGs). These goals adopted by the United Nation's member states in 2015 stands as a blueprint for peace and prosperity for people and the planet, now and into the future. All the countries - developed and developing - in a global partnership are standing at the crossroads of attaining SDGs till 2030. The promises enshrined in the Sustainable Development Goals are still in peril. **Today, these young minds urge us all to awaken, unite and act for the sake of our shared planet.**

Dear Audience,

As we look back on the past ten years, we remember the countless memories we've created together – the bonds formed during various events, the laughter of sports days, the creativity of cultural festivals, and the silent triumphs of everyday learning. Each one has contributed to weave the sagacious story of our school. To cherish this story of 10 wonderful years, the students of Grades VI to XII will showcase their vibrant performances and thrill the stage.
